Description of Accessories  
MR16 Sized glass filters

Choose from a variety of colored  
glass lenses, diffuser lenses,  
and honeycomb louver.

Journée®

### COLORED FILTERS AND DIFFUSION LENSES

- Colored lenses tint the light with color
- Prismatic spread lens widens the beam
- Linear spread lens elongates the beam
- Soft focus lens softens the beam

### HONEYCOMB HEX LOUVER

Honeycomb Louver cuts glare from lamp
